GORGEOUSLY COLORED HYBRID DELPHINIUM

Recent introductions in the field of Hybrids have added rare new colors and variations never thought possible in Delphiniums. Individual florets are now double and semi-double in addition to singles. Spikes are almost unbelievably large. Plant some Hybrids this year and you will be thrilled next summer when you see the wonderful blossoms produced.

The World's Finest Delphiniums

The Famous Vetterle and Reinelt Pacific Hybrids

Words cannot adequately describe the elegance and beauty of this strain of Hybrid Delphinium. Giant stalks bear flower spikes of enormous size. Individual florets are each perfect and many times reach 2 1/2 inches across. The varied colors will delight you. Being Hybrids, we cannot ship by color or guarantee the shade the plant will bloom, but they run the range of Blues, Lavenders and Mixed shades. Some have outer petals of one shade and inner petals of another shade. Plant 12 to 18 inches apart in good garden soil.

ALL-AMERICAN ROSE COLLECTION

This All-American Collection of Roses is not to be confused with the selections annually made by The All-America Board which selects outstanding new varieties of Annuals, Perennials, Roses, etc.

This is our own All-American Collection, which we have offered each spring since 1935, and is made up of eleven of the outstanding Roses of America. Each year we travel thousands of miles checking and observing the performance of different Roses. Varieties must have thoroughly proven themselves before being included in this group.

We believe this collection consists of eleven Roses which will give the average Rose grower complete satisfaction no matter what state he lives in. It is our own All-American group selected by us for the following reasons:

- **First**—Because of the wide range of colors. Practically every color known in the Rose world is represented in this collection.
- **Second**—Because they are hardy in all sections of the country. Even in far northern climates they do well if given average winter protection.
- **Third**—Because they are offered at a price which all America can afford. No premium prices are asked for these splendid Roses.

2166 *Pillar "Stratford"*

Plant Pat. No. 784

Everblooming Pillar form of the magnificent Rose "Stratford". Canes reach a height of 8 to 10 feet, erect and sturdy. Ideal for planting at the driveway entrance or wherever a post or pillar effect is wanted. Has the large, extremely double blooms of the bush form and bears them constantly throughout the summer and fall season. Exquisite silvery-pink color, abundance of blooms and hardness of the sturdy plant makes this a valuable addition to any home. 2 yr. No. 1, Field Grown and Budded \$1.50 Each; 3 for \$3.75, Postpaid

TERMS—CASH WITH ORDER SHIPPING CHARGES

Please note that Roses, Perennials, and many Shrubs are sent postpaid. All stock not marked as postpaid is shipped by express, customer paying shipping charges on arrival. In certain cases there are trees and evergreens which must be sent by express and also items which should go by parcel post. In order to avoid making an extra shipment we send the entire order by express. For this privilege we add extra stock which more than covers the express on the postpaid items included.

NURSERY STOCK GUARANTEE

We guarantee that each plant shall be true-to-name, otherwise we will replace free of charge or refund purchase price of any proven not to be so. We guarantee that each plant shall be of a size and quality as described in this catalog, and that the plants will reach the customer in good condition.

IF YOU ARE NOT SATISFIED WHEN YOUR ORDER REACHES YOU, RETURN STOCK AT ONCE AND WE WILL REFUND YOUR MONEY TOGETHER WITH ANY TRANSPORTATION CHARGES YOU HAVE PAID. AFTER STOCK IS ACCEPTED AND PLANTED, IT IS ASSUMED TO BE SATISFACTORY. Remember, a plant is a living thing, the same as any animal or human being. It feeds, drinks and breathes, and is subject to attacks by insects, diseases and drought; hence, we do not guarantee growth after planting.

Stock lost after planting will be replaced at one-half the price paid the following season, provided we are notified of such losses by July 1st after planting. This one-half price only covers digging, packing and handling charges in making the replacement.

If stock reaches you in damaged condition, have postmaster or express agent sign a receipt to this effect, as this will enable us to recover damages.

FREE PLANTING INSTRUCTIONS

With each order shipped we enclose a copy of "Kriders Planting Pointers." This helpful folder will give you much assistance in properly planting and caring for your plants.

Beautiful With CLIMBING ROSES

2-Yr. Field-Grown, Budded for Long Life

2162 PAUL'S SCARLET

One of the greatest of the hardy Climbers. Combines rapid growth with extreme hardness and prolific blooming habit. Large, bright scarlet blooms last over a long period. Hardy and grown in all parts of the country. Makes a brilliant show in full bloom.

2164 CLIMBING AMERICAN BEAUTY

An old favorite Climber. Very hardy and a vigorous grower and abundant bloomer. Deep pink color with extra large flowers, resembling Tea Roses in size and form. Good canes and flower stems. Long blooming season.

2163 Climbing TALISMAN

A truly distinctive Climber. Fragrant and rich in color shadings. Buds are orange-yellow opening into large blooms of salmon-orange shaded in red and gold. Large, strong canes with long flower stems for cutting.

2165 CLIMBING GOLDEN CHARM

Climbing form of the beautiful Tea Rose "Golden Charm". For those of you who want a golden yellow climber to complete your color scheme, we heartily recommend this one. An extremely vigorous grower and the blooms resemble those of the Hybrid Teas. May be cut in bud as they open slowly. Buds are deep yellow, fully open blooms are lighter yellow.

YOUR CHOICE OF THE ABOVE

\$1.00 ea; 3 for \$2.75; 6 for \$5.25; 12 for \$9.00. Postpaid.

2167 NEW DAWN—Everblooming Dr. Van Fleet

Vigorous in growth and prolific in the number of blooms produced. This climber is in bloom almost continuously from early summer through the fall. Silvery pink, the flowers are borne on long stems and are Hybrid Tea in size and form. Ideal for cutting. Hardy and sturdy.

\$1.50 each; 3 for \$3.75. Postpaid

2168 BLAZE—The Scarlet Climber Supreme

Terrifically heavy crop of early blooms followed by repeat blooms during the summer. Grows in true pillar form. Bright scarlet color does not readily fade. Heavy, erect canes.

\$1.50 each; 3 for \$3.75, postpaid

FLORIBUNDA ROSES

ALL ARE EVERBLOOMING, 2-YR.,
FIELD GROWN, AND BUDDED

KRIDER'S DAZZLING DOZEN HARDY PHLOX

WILL BLOOM NEXT SUMMER
These Are All 2-Yr., Field Grown Roots

TWELVE OF THE WORLD'S FINEST VARIETIES

4199 PHLOX COLLECTION

12 The twelve varieties which we offer on this page we believe to be the twelve best varieties grown today. They are hardy, many are proven new varieties, their colorings are the finest produced and they will give you satisfaction and pleasure wherever planted. One of each of the 12 Phlox pictured, or your choice \$3.00

2 Collections (24), \$5.50 All Postpaid
YOUR CHOICE OF VARIETIES
3 for \$1.00, 6 for \$1.75, 12 for \$3.00

Do Not Allow Your Phlox to Go to Seed

Keep blooms cut as they fade. If you permit plants to go to seed they will drop hundreds of seeds right around the base of the plant. Next year masses of seedlings will spring up. These usually have the old magenta color and soon kill out your true variety. This soon makes the bed a mass of seedlings.

Plant Phlox Roots
12 Inches Apart for Bedding

4101 UNIQUE, RARE
"CHRISTMAS ROSE"
Helleborus Niger)

Blooms Through the Snow at Christmas

A real novelty and rarity in hardy plants. Rather dwarf growing with dark green, leathery foliage. Grows up through the snow and blooms in the dead of winter. Flowers are bell shaped, waxen white with centers of a reddish tone, and last over a long period of time. Foliage is evergreen and ornamental balance of the year. \$1.15 each; 3 for \$3.00, Postpaid.

Christmas Rose

Beautiful PERENNIAL Poppies

Plant in Masses for a Riot of Color

Hardy Oriental Poppies will give you some of the most brilliant color in your early perennial beds. Their roots must be transplanted in Fall and we are offering four of the most outstanding varieties in this catalog. We call your attention especially to the magnificent "War Lord" variety listed below. This is very scarce and the supply is limited. All of these are 2 year roots; bloom next spring.

4181 WAR LORD

A sensational Poppy in every sense of the word. Huge blooms, measuring up to 8 inches across, present a most brilliant display at blooming time. No words can do justice to the dazzling shade of red that puts "WAR LORD" in a class by itself. Plant several of these roots this fall and your garden will flame with color at next blooming season. Supply limited so order early. 80¢ each; 3 for \$2.25, P'paid.

4182 OLYMPIA

A rich and colorful Poppy. Flowers are immense and have a double row of petals around a high center. Color is brilliant orange-red and by planting three or six in a group, 12 to 16 inches apart, a real mass of color results. 50¢ each; 3 for \$1.25; P'paid.

4183 MRS. PERRY

Large colorful blooms of a soft Salmon pink shade make this one of the favorites with all gardeners. A very free flowering and beautiful variety. 50¢ each; 3 for \$1.25; Postpaid.

4184 SALMON GLOW

So large, so double, so brilliant, that as the blooms develop they form into huge orange balls of unequalled brilliance. Many feel that this is the most beautiful of all the hardy Poppies. 50¢ each; 3 for \$1.25; Postpaid.

Salmon Glow

FOR FALL PLANTING
ONLY!

Dependable PERENNIAL PLANTS

• WELL-ROOTED, 2 yr., FIELD-GROWN - WILL BLOOM NEXT SUMMER •

Gaillardia

4160 GAILLARDIA "GOBLIN"

Bright, showiest of the Gaillardias. Giant sized blooms of deepest copper color with rich wine red center disc. For brilliant color in your perennial beds they are unequalled. Excellent for cutting and bouquet use. Grow to 3 feet tall. Very hardy.

30¢ each; 4 for \$1.00, Postpaid.

4107 HARDY PINK LYTHRUM

A tall growing perennial that will add lots of bright pink color to your borders or beds during the hot dry months of July and August. Reaches a height of 3 to 4 feet with mature plants forming a clump which each year throws up a great number of willowy stems, each of which terminates in a foot-long spike of pink bloom. Extremely hardy and rapid in growth, even under bad conditions.

40¢ each; 4 for \$1.50, Postpaid.

4157 ARTEMISIA

A striking, silver leaved, contrast plant. Makes a beautiful "mist" for setting off bouquets and all floral arrangements. Quick growing with a close network of fine branches and slender leaves. May be cut in the fall and dried for winter bouquets.

35¢ each; 4 for \$1.25, Postpaid.

4171 SEDUM "SPECTABILIS"

or "Live Forever"

One of the hardiest of all perennial plants, it seems to thrive under the most adverse conditions. Comes up and blooms year after year with little or no attention. Withstands heat, drought, cold, and poor soil. Foliage is ornamental all summer long and the large, flat heads of pink blooms are produced in abundance on sturdy stems. Plants ordinarily reach 8 to 12 inches in height with bloom stems rising 6 to 10 inches above foliage during blooming season. Effective when planted in buckets or pots for either side of the front steps or gate.

35¢ each; 4 for \$1.25; 10 for \$2.75; 25 for \$5.50; 100 for \$20.00, Postpaid

4114 HARDY PRIMROSES

NEW GIANT FLOWERING HYBRID

In this new strain of Hardy Primroses the individual florets are as large as a half dollar and several of them are grouped in each cluster. This is without doubt the finest we have seen and you will have to see them blooming in your own gardens to really appreciate just how grand they are. We offer them in only a superb color mixture which includes many of the new pastel shadings.

55¢ each; 3 for \$1.50;
10 for \$4.00, Postpaid.

ALL PLANTS ARE POSTPAID

PLANT PERENNIALS IN GROUPS OF
THREE OR MORE OF THE SAME
KIND FOR BEST EFFECT

Daisy "Supreme"

4105 Large Flowering, Hardy DAISY "SUPREME"

Blooms As Large As 5 Inches Across Immense, white blooms, often as large as 5 inches across, with bright golden centers. Two rows of petals create an almost double effect. Stems are long, from 24 to 36 inches, and hold the blooms stiffly erect. All the hardiness for which the Shasta family is noted but so far superior in size and quality of blooms that the older types are rendered obsolete. Heavy crop of blooms through June and July. Nice large plants which will bloom plentifully for you next summer.

40¢ each; 4 for \$1.50;
8 for \$2.75, Postpaid.

• ORDER BY CATALOG NUMBER •

4164 GOLDEN HELIOPSIS (Incomparabilis)

For rich golden color in the perennial bed we know of no other flower which will be more satisfactory. Perfectly hardy, it comes up year after year. The deep golden blooms are extremely large and are borne in abundance on 18 to 24 inch stems. Excellent for cutting as they keep for a long period. Plant in groups of 4 or more for bright spots of color in the perennial bed.

40¢ each; 4 for
\$1.50, Postpaid.

PERENNIAL PLANTING DISTANCES

Perennials should be planted 18 inches apart as a general rule. Some large growing types may need to be planted slightly farther apart. For borders and edging with dwarf varieties you will want to plant 6 to 12 inches apart. We give the average matured height in the descriptions of all perennials so that you may find it easy to plan your plantings.

Artemisia

4102 IMPERIAL HYBRID Double Hollyhocks

The new hybrid strain of an old favorite flower. New brilliant colorings and new, larger blooms together with the traditional hollyhock hardiness. Very desirable for background plantings as they grow to 5 feet tall. Being hybrids, they come only in mixed colors, and we cannot ship by color.

30¢ each; 4 for \$1.00, Postpaid.

4150 HIBISCUS (Mallow Marvel)

The "show boy" among perennials. New shoots start from the ground each year and grow to a height of 4 to 6 feet. They then bear giant bell-shaped blooms measuring 6 inches or more across. Rich rose-red in color, the blooms appear abundantly over a long period. Very hardy and wonderful for tall backgrounds or for informal, summer flowering hedges.

30¢ each; 4 for \$1.00, Postpaid.

4166 HARDY BLUE FORGET-ME-NOT ANCHUSA MYOSOTIDIFLORA

You will love the clear blue of its dainty "Forget-me-not" blooms. Flower stems 12 inches long arise above heavy, dark green, ornamental foliage. Ideal for rockery, edging or border. Does well in shade or sun.

45¢ each; 4 for \$1.50, Postpaid.

4154 LAVENDER STATICE

A cloud of misty lavender loveliness when in bloom. Ideal in most any location you care to plant. Fine for beds and cutting. Blooms widely used in mixed bouquets as they keep well over a long period of time.

30¢ each; 4 for \$1.00, Postpaid.

These Plants Have All Bloomed In Our Fields

All Are Nice, 2-Yr. Field-Grown Plants—

4159 HARDY PULMONARIA

Perennial for Shaded Locations

If you need a plant which will do well in areas under trees or shaded places, we believe that Pulmonaria will be the answer. Grows only 8 to 12 inches high and foliage is very thick and ornamental. Leaves are bright green, blotched with blended spots of white. In the spring dozens of small, bell-shaped, reddish lavender blooms cover the plant. Fine for ground cover and also as a dwarf edging plant. Hardy, stays green till frozen by winter and comes out first thing in the spring. Nice 2 yr. plants 35¢ ea; 4 for \$1.25; 12 for \$3.00, P'd.

4158 CAMPANULA CARPATICA

Dwarf Bluebells of Scotland

Dainty blue bell flowers on 4 to 6 inch stems above a low mound of foliage. Withstands drought and heat, but also does well in partial shade. One of the best dwarf perennials.

35¢ each; 4 for \$1.25, Postpaid.

— WILL BLOOM NEXT SUMMER —

4100 CANTERBURY BELLS

Every garden needs a few clumps of old-fashioned flowers and we know of no better ones than these. Produce loads of deep bell shaped blooms over a long blooming period. Grow about 3 feet tall, making them ideal for use in front of shrubs or along a fence. Nice plants, in mixed shades only.

30¢ each; 4 for \$1.00, Postpaid.

4135 HARRINGTON'S PINK. HARDY ASTER

The superb "HARRINGTON'S PINK" variety. Unequalled for bright pink color in the fall garden. Without any doubt this is one of the most beautiful Asters ever introduced. Richest pink color, good growing habits, free blooming and general hardiness have made it one of the largest sellers and most popular perennials on the market. Plenty of blooms when other flowers are scarce in the fall.

45¢ each; 4 for \$1.50, Postpaid.

4129 DWARF PINK CREEPING PHLOX

For steep banks, borders edging or rock gardens we know of nothing better than Creeping Phlox. Use it liberally in those spots where most plants refuse to grow and you will be delighted with the results. Hardy under adverse conditions and a mass of color in spring. Plant 1 foot apart each way to make a dense ground-cover in a short time.

30¢ each; 4 for \$1.00, Postpaid.

For Permanent
Color and Beauty

4113

LIATRIS, "SEPTEMBER GLORY"

ALSO KNOWN AS "BLAZING STAR" or "GAYFEATHER"

New late-flowering variety of the ever-popular Blazing Star. Extremely long flower spikes of pinkish purple are borne on strong stems all through August and September. Very desirable for cutting and a plant which should be in every garden. Uneexcelled for mixed bouquets and widely used by florists for artistic arrangements. Grows 3½ feet tall. Nice, 2-yr. roots, only 35¢ each; 4 for \$1.25, postpaid.

4161 Old-Fashioned Sweet William

One of the best loved old-fashioned flowers. No garden is complete without a few of these plants. Very easy to grow and extra prolific bloomers. We offer nice plants, in mixed colors only, which we guarantee to bloom next summer. Grow to about 2 feet in height.

4 for \$1.00; 8 for \$1.75, Postpaid.

SWEET WILLIAMS

4151 White BABY'S BREATH

Gypsophila Paniculata- The beloved Baby's Breath which is so desirable for use in mixed bouquets during the summer and which may be cut and dried for use in winter floral pieces. Grows about 2 feet high and makes a rounded mass of misty white when in full bloom. Very hardy.

30¢ each; 4 for \$1.00, Postpaid.

Blue Platycodon

4167 Hardy Blue Flowering Daylily
(Hardy Funkia)

Broad, pale green, fluted leaves, variegated by white band and varied streakings. Valued for its foliage as well as for the bluish blooms hanging in loose panicles from heavy, short stems. Grows to 4 feet tall. 35¢ each; 4 for \$1.25, Postpaid.

4172 DELPHINIUM

(For Bedding or Cutting)

Always a great favorite. Their blue spikes provide the touch of color so desirable to make charming plantings or colorful bouquets. Grow 3 feet tall. We can furnish in light or dark blue, 30¢ each; 4 for \$1.00, Postpaid.

4168 BLUE PLATYCODON
(Balloon Flower)

Showy, deep blue flowers from June to October. Buds resemble a small blown-up balloon. Opens into bell-shaped blooms of finest color and texture. Excellent for cutting. Grows to two feet high.

35¢ each; 4 for \$1.25, Postpaid.

4109 "BLUE BIRD" VERONICA

A beautiful plant with long, slender bronze-green leaves. Spikes of indigo blue blooms are borne freely over a long period of time. In bloom almost continually from July to October. 2 feet in height.

40¢ each; 4 for \$1.50, Postpaid.

4162 NEPETA, "Six Hills Giant"

One of the best plants we know of for hot, dry and exposed perennial plantings. Gray-green foliage makes splendid contrast to surroundings. Compact and upright in growth. Ten to twenty flower stems on each plant reach a height of 2 feet. Lavender-blue blooms in profusion during a long blooming season. Fine for border work.

35¢ each; 4 for \$1.00, Postpaid.

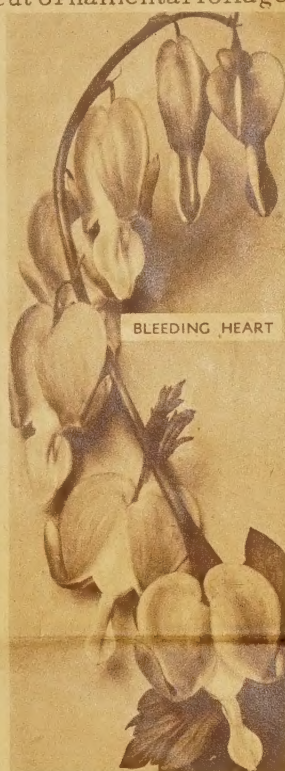

4131 OLD-FASHIONED BLEEDING HEART

Favorite Old-Fashioned Flower

Beloved by all. One of the most delightful of all spring flowering plants. Bears numerous rose red, heart-like flowers pendent on long, arching stems. Deeply cut ornamental foliage. Grows to the height of 2 ft.

60¢ each;
3 for \$1.50,
Postpaid.

Beautiful

EVERGREENS

STURDY, WELL ROOTED, FIELD GROWN

FOR THE HOME LANDSCAPER

5206 PYRAMIDAL ARBOR-VITAE

Used in foundation or group plantings in all landscaping work. Retains its flat foliage and lovely bright green color at all seasons. Grows compact and develops naturally a perfect pyramid form. May be sheared. Ideal in formal effects.

Nice 18 to 24 inch size, \$1.75 each; 2 for \$3.25

5200 GOLDEN ORIENTAL ARBOR-VITAE

(Biota Aurea Nana)

Slow growing, compact dwarf type. Flattened, yellowish-green foliage faces outward edgewise giving a surface of vertical fluted lines. Excellent for foregrounds. 12 to 15 inch size, \$1.75 each; 2 for \$3.25.

5203 FASTIGIATA JUNIPER
(New Columnar Juniper)

Similar to Irish Juniper in foliage and color but grows tightly compact and columnar. Valuable for doorways and formal plantings. 18 inch, \$1.75 ea; 2 for \$3.25

5208 COLORADO BLUE SPRUCE

Hardy and beautiful evergreen for specimen planting. Needs plenty of room to develop branches and stately form. Give lots of sun to get best color results. The young trees are usually unshapely, symmetrical form developing as the tree increases in size to 3 feet or more. Well rooted, 12 to 15 inch, \$2.25 ea; 2 for \$4.25

5201 JUNIPER STRICTA
(Spiny Greek Juniper)

Semi-dwarf, pyramidal in form. Silver-blue foliage, very compact and cedar-like. Reaches 4 feet high in our section; slightly larger in the South. Hardy; valuable for medium height. 12 to 15 inch, \$1.75 ea; 2 for \$3.25.

5213 HEMLOCK

Splendid Evergreen which does well in partial shade. Graceful in growth with light fresh green foliage. Looks well in any planting. May be sheared and trimmed to keep at size needed. 12 to 18 inch, \$2.75 each; 2 for \$5.00

5202 PFITZER JUNIPER

Well known, gracefully spreading, low-growing, with sweeping fronds of fresh green foliage. Very hardy and does well in sun or shade. The spreading branches should be kept sheared at desired size. 12 to 15 in. spread, \$2.00 each; 2 for \$3.75.

5210 SPREADING YEW

The Yews are luxuriant and quality evergreens in every way. Extremely hardy, do well in shade and harmonize with all other plants. Spreading variety throws out sweeping branches which may be kept sheared to form a dense plant at desired size. Deep green foliage, soft to the touch and always fresh looking. Excellent for low hedges or sheared formal plantings. Red berries appear as plants age. Well rooted, 12 to 15 inch size at \$2.50 each; 2 for \$4.50.

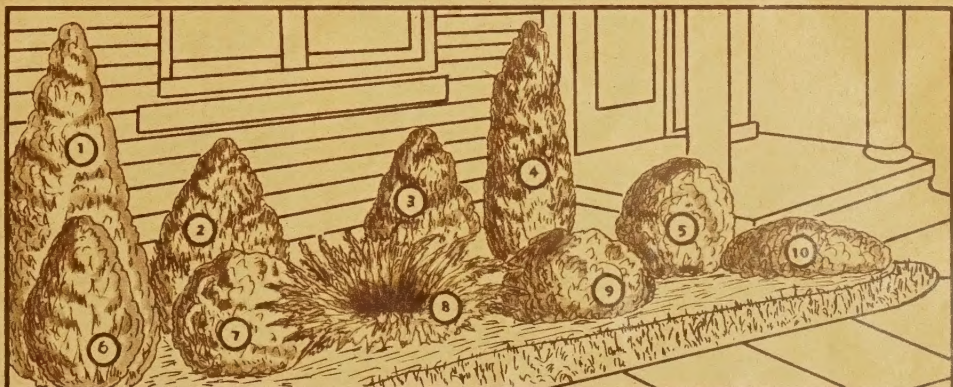

5211 UPRIGHT YEW

General characteristics same as the spreading variety described above, but grows in erect, columnar form. Keep plants lightly sheared as they grow to make dense, compact plants from the ground up. Valuable for corner plantings and accents. 15 to 18 inch, \$2.50 each; 2 for \$4.50.

5240 PLANTING OF BABY EVERGREENS

Same varieties and quantities as in the collection described below, but in well rooted, 4 year old, twice transplanted plants which run from 6 to 10 inches in height or spread.

10 Highest quality plants as described above, at only... **\$3.50**

① Pyramidal Arbor-Vitae ③ Juniper Stricta ⑤ Globe Arbor-Vitae ⑦ Globe Arbor-Vitae ⑨ Spreading Yew
② Juniper Stricta ④ Fastigiata Juniper ⑥ Golden Oriental Arbor-Vitae ⑧ Pfitzer Juniper ⑩ Spreading Yew

5220 EVERGREEN COLLECTION

Now you can landscape your own home at minimum cost with these lovely Evergreens. All are hardy and will do well in most any location. One group of 10 plants will completely plant one side of the front of the average home if space is between 15 and 25 feet. Two groups make a complete planting for the entire front. The large picture above gives planting arrangement.

SIZES TO BE SENT ARE AS FOLLOWS:

Upright types will be 24 inches tall; semi-upright, 12 to 15 inches tall, and spreading types will have 12- to 15-inch spread. One group will consist of the following: 1 Pyramidal Arbor-Vitae, 1 Fastigiata Juniper, 2 Juniper Stricta, 2 Globe Arbor-Vitae, 1 Golden Oriental Arbor-Vitae, 2 Spreading Yew, 1 Pfitzer Juniper—10 plants in all.

Single Plants of Above Varieties, \$1.75 Each.

Holland Crown Bulbs For Early Spring Blooms

TO PLANT THIS FALL

Plant these fine bulbs this fall and have color in your beds and borders next spring.

NARCISSUS Daffodils

KING ALFRED- Largest flowering and most spectacular of the Narcissus. Immense size with long trumpet and rich golden color. America's favorite..

CHEERFULNESS- The double gardenia flowered Narcissus. Waxed, creamy-white blooms tinged with golden sheen at base of petals. The Gardenia-like form is exquisitely beautiful.

GERANIUM- Pure white blooms with broad, oval shaped petals. Brilliant orange-red center cup gives a note of oddity and bright color.

SCARLET ELEGANCE- Deepest yellow with center cup of orange - red edged in scarlet. Very striking and different.

Your Choice of the Four Varieties, 12 for \$1.75; 25 for \$3.00; 50 for \$5.50; 100 for \$10.00. All Postpaid.

SPECIAL OFFER OF FINE MIXED NARCISSUS BULBS

A splendid mixture of leading varieties, especially packed for us in Holland and imported for our customers. Large, highest quality bulbs 25 for \$2.50; 50 for \$4; 100 for \$7.25.

CROCUS FIRST TO BLOOM IN SPRING

HIGHEST QUALITY IMPORTED BULBS

Ready to grow and bloom for you next spring, if planted this fall. Large, clean 8 to 9 centimeter bulbs. Four of the best and most popular colors. Your Choice, Blue, White, Yellow, Variegated,

12 for 75¢; 25 for \$1.00; 50 for \$1.75; 100 for only \$3.00, Postpaid.

Red Hyacinth

IMPORTED HOLLAND HYACINTHS

Highest quality, Holland grown bulbs. Each will produce gorgeously colored, waxen blooms next spring.

Your Choice of Six Fine Colors:- Light Blue, Dark Blue, Yellow, Pink, White or Red.

6 for \$1.25; 12 for \$2.00; 25 for \$4.00; 50 for \$7.50. All Postpaid.

"King Alfred" Narcissus

Variegated Crocus

5 TULIP *Aristocrats*

Without doubt the 5 giant flowering varieties shown here are the real aristocrats of Tulipdom. Brilliant colors, as illustrated, giant sized blooms, flowering season from early until late. All bulbs imported from Holland and first class in every way. "ARISTOCRAT", deep coral-pink. "KEIZERSKROON", earliest, bright red edged in gold. "RED EMPEROR", intense scarlet with extremely long buds opening to giant blooms. "RED CHAMPION", gigantic, shaggy, Parrot type blooms of deep rose-red. "FANTASY", immense flowers of coral-rose with odd green markings. The favorite Parrot for many years.

Modern HARDY SHRUBS FOR lasting beauty

—ALL TWO-YEAR, FIELD GROWN—
Blooming Size

Hydrangea, P. G.

8128 HYDRANGEA P. G.

Flowers in August with huge panicles of bloom measuring from 8 to 12 inches long. Blossoms are first a delicate shade of pink gradually changing to bronze in early autumn.

75¢ each; 3 for \$2.00

8116 VIBURNUM AMERICANUM

One of the best of all Viburnums for the shrub border or anywhere that a fairly tall, vigorous shrub is needed. Beautiful bright green foliage in spring; clustered white blooms in May; clumps of extremely large, ornamental, bright red berries following blooming season and remaining until early winter. Will reach 8 to 10 feet at maturity.

75¢ each; 3 for \$2.00

8112 PUSSY WILLOW

Small tree-like shrub with attractive foliage. Its popular appeal lies in the conspicuous silky catkins that bud in the fall and make those first "springy" bouquets just as the snow melts away in the early spring.

65¢ each; 3 for \$1.75

8131 EVERBLOOMING TAMARIX

Beautiful shrub with soft fern-like foliage having a rich powder-blue color. Shell-pink blooms appear in frond-like form early in the season and continue until frost. Add a few of these to your border background and notice how they light up the entire planting. (NOTE: The wood of this shrub is extremely hard and as a rule they are very late in leafing out in spring, often the middle of June here in the nursery.)

65¢ each; 3 for \$1.75

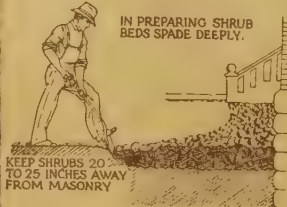

8111 RED CORALBERRY

One of the best shrubs for shaded locations that we know of. Grows to a height of 5 feet with graceful, drooping branches and fine, lacy foliage. Blooms are followed in fall by rich red berries, twice the size of the old Indian Currant. Don't fail to get some of these shrubs if you need an ideal plant for shady places.

65¢ each; 3 for \$1.75

Spirea
Van Houttei

8113 SPIREA VAN HOUTTEI

Without doubt one of the most useful and most widely used shrubs. It is hardy and grows under all conditions. Blooms profusely in April and May on long branches that curve and droop to the ground, weighted by the mass of pure white flowers. May be used as specimens, massed as a border, or excellent for flowering hedges. Reaches 8 feet if untrimmed.

60¢ each; 3 for \$1.60

8119 SNOW GARLAND SPIREA

(SPIRAEA ARGUTA)

One of the finest of early flowering shrubs. Blooms just as the leaves appear, the entire bush becoming a mass of tiny white flowers. Foliage is lacy and ornamental in summer and in fall, after the first frost, it flames brilliantly into shades of red and gold. Perfectly hardy and thrives under average conditions. Grows to about 5 feet tall at maturity.

60¢ each; 3 for \$1.60

8120 SPIREA - Dwarf Ninebark

Semi-dwarf; very thick and bushy in growth. Attractive light brown, smooth bark on branches. Creamy white blooms borne abundantly in the spring. Excellent for informal hedge or low flowering border. Reaches about 3 feet in height.

60¢ each; 3 for \$1.60

8135 SPIREA FROEBELI

RED FOLIAGE IN SPRING

Large, flat clusters of deep pink flowers nearly all summer make this variety especially valuable in nearly all types of plantings. Dwarf in habit of growth and fine for most all types of border where size is an important factor. Reaches 30 inches.

60¢ each; 3 for \$1.60

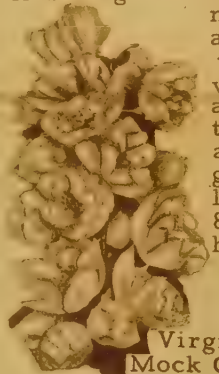

8134 COLE'S SPIREA BILLIARDI

A new Spirea Billardi which is really an outstanding shrub in its class. Hardy and a semi-dwarf, it has a place in all shrub plantings. Grows to a height of about 4 feet and bears an enormous crop of blooms in early summer with moderate quantities of repeat blooms appearing throughout the balance of the summer. Flowers are rather cone shaped in form, of good size with the fuzzy appearance so interesting and unique among shrubs. Color is a lovely blended pink and bloom stems are long enough for cutting. Nice, 2-yr., blooming size plants, 85¢ each; 3 for \$2.25.

8133 DOUBLE VIRGINAL

PHILADELPHUS MOCK ORANGE VIRGINALIS

Without question this is one of the most beautiful and useful of all the shrub family. In bloom almost constantly through the summer months. Has single formed flowers on the

Virginal
Mock Orange

new, one year wood and double blooms on the two year wood. A valuable addition to any shrub group since the single flowers are appearing on the new growth all summer long. Reaches about 8 feet at maturity. A hardy, good grower.

85¢ each;
3 for \$2.25

8132 RED FLOWERING BUSH HONEYSUCKLE

This is a wonderful shrub because of its abundant, deep green foliage, its rapid sturdy growth and prolific blooming habit. Thrives in most all locations or in most any type soil. When in full bloom the plant is literally studded with exquisitely fragrant, rosy red flowers. Mature size is about 8 to 10 feet.

65¢ each; 3 for \$1.75

3403 REDBUD (CERCIS CANADENSIS)

Handsome, low-growing, flat-topped tree attaining a height of about 15 feet at maturity. Rosy-lavender blooms appear along the branches before the leaves come in the early spring. Due to extreme hardness of the wood the tree is late in leafing out. We offer nice 3 ft. plants at \$1.00 each; 2 for \$1.75

8107 OLD-FASHIONED PURPLE LILAC

The beloved shrub of all generations. Will grow anywhere and its light purple masses of bloom in spring are a delight. Grows to 12 ft.

75¢ each;
3 for \$2.00

8122 GREEN-LEAVED BARBERRY

Probably has more practical uses than any other shrub except Spireas and is widely planted over the entire country. Can be grown in shade, dry or sunny locations, or in moist soils. When grown as specimen plants or as an edging to taller shrubs or evergreens its gracefully arching and thick branches, covered with green foliage in summer and bright red berries in winter, make a pleasing effect wherever used. Is NOT to be confused with the old wild barberry banned from shipment by all states. Reaches 3 feet in height at maturity but may be kept trimmed at size you desire, or planted and trimmed as a protective hedge or lawn edging.

55¢ each; 3 for \$1.45

8121 RED-LEAVED BARBERRY

Same hardiness and growing habits as Green Leaved Barberry but rich bronze-red foliage in summer. Needs full sun for best color development.

60¢ each; 3 for \$1.60

Large growing shrubs should be planted 4 to 5 feet apart in shrub borders. Dwarf trees about 8 to 10 feet apart. Medium growing shrubs 2 to 3 feet apart and low growing varieties, 1½ to 2½ feet apart.

8126 SCARLET FIREBUSH

NEW, UPRIGHT GROWING TYPE

Completely covered with brilliant orange-scarlet blooms early in the spring, followed by fragrant, quince-like fruits. Foliage is waxy and dark green. Branches rough and closely knit, making it desirable for protecting hedges. Branches grow upright. (NOTE: This shrub cannot be sent into states of California, Washington, Oregon, Colorado, Montana, Utah, Arizona and Nevada.)

65¢ each; 3 for \$1.75

WEIGELAS - Satisfactory in all shrub plantings

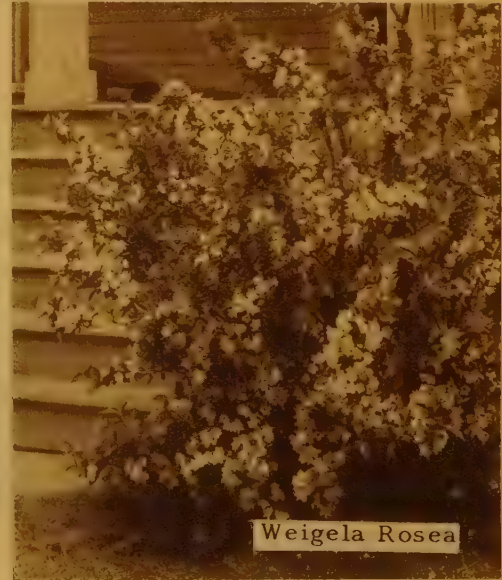

8138 ROSEA. Pink Tall and vigorous in growth with abundant crop of deep pink blooms in June. Occasionally shows flowers the balance of summer months. Hardy and excellent for shrub border and foundation planting.

65¢ each; 3 for \$1.75

8139 "BRISTOL RUBY" Weigela. This red variety is practically an ever-blooming plant. Hardy and excellent flower form. Some blooms on bush most of the summer after heavy crop in spring. Foliage is rich green and densely covers the branches. Splendid in the border or for groups. Grows to about 5 feet in height.

U. S. Plant Patent No. 492

Heavy rooted, 2- to 3-ft. plants, \$1.50 each; 3 for \$4.00.

Weigela Rosea

3417 LOMBARDY POPLAR

Tall, slender tree for formal planting. Rapid grower and at a distance the mature trees appear as tall sentinels. Dark green leaves, lighter on the under side. The roots will not grow into and clog your sewers, as did the old Carolina Poplars.

5 to 6 foot trees,
\$1.00 each;
10 for \$7.50

Special

3419

For screening purposes we offer a 4 to 5 ft. grade in Lombardy Poplars. Plant them 5 to 6 feet apart. A real value at this low price.

10 for \$3.50;
5 for \$2.00

3413 NORWAY MAPLE

Exceptionally fine, hardy, large-leaved shade tree. Noted for long life, resistance to disease and beautiful matured form. We Offer Nicely Branched, Heavy Rooted, 6 to 8 ft. at \$2.50 each; 4 for \$9.00.

3414 SILVER MAPLE

The fastest growing of the Maples. Much used for street planting since they make a good, quick shade tree. Foliage is light green, silvery on the under side and slightly cut-leaved. Colors beautifully after fall frosts. Not as long-lived as the Norway but grows quickly and provides good, thick shade for the average lifetime.

Nice, 6 to 8 ft. trees,
\$2.00 each; 4 for \$6.50.

LARGEST SELLING HARDY HEDGES

2-YEAR, FIELD-GROWN PLANTS
HARDY, LONG LIVED, ECONOMICAL

5500 AMOOR RIVER PRIVET

Most universally planted of hedges. Shiny, dark green foliage is not subject to blight or disease and may be sheared to any form. Plant 10 inches apart, cutting back to 8 inches when planting is finished to make denser growth. 2 yr., Well Branched, 15 to 18 inch, 25 for \$3.50; 50 for \$6.50; 100 for \$12.00.

5501 BUSH HONEYSUCKLE HEDGING

Grows to a height of 8 to 10 feet, with upright, somewhat spreading branches. Foliage is light green with abundant bloom coming in May and June, the fragrance attracting bees and humming birds. Showy red berries follow blooms. The best shrub for screening purposes or a high and compact hedge. 18 to 24 inch, 25 for \$3.50; 50 for \$7.00; 100 for \$12.50.

5505 SPIREA VAN HOUTTEI

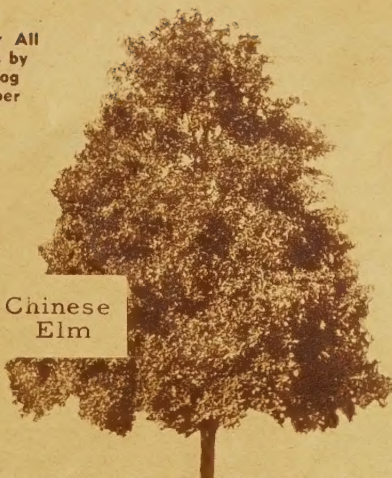

Most popular shrub for flowering hedges. Profuse clusters of white blooms completely cover the plants in May. Foliage is bright green and ornamental until fall when it turns to brilliant shades of yellow and red. Reaches about 6 feet high if unpruned but may be sheared to desired height. 2 year, 12 to 18 inch, 25 for \$3.50; 50 for \$7.00; 100 for \$12.50.

5502 GREEN-LEAVED BARBERRY

Most popular low-growing hedge. Bright green leaves turn to dazzling shades of red and gold in fall. Bright red berries remain on plants over winter. Will grow in shade or sun or in poor soil. Thorny branches give protection from trespassers. Trim at any time to size desired. 10 to 12 inch, 25 for \$3.00; 100 for \$10.00.

Chinese Elm

3426 BLOOD-LEAVED PLUM "THUNDERCLOUD"

Dwarf flowering tree of excellent shape, bearing foliage of deep, rich blood-red. As the season advances the colors become darker, gradually changing to a dull glowing bronze in the fall. Tree is covered with pink blossoms in early spring.

3 to 4 foot trees,
\$1.50 each; 2 for \$2.75.

3429 ROSE TREE OF CHINA

Prunus Triloba - Wonderful dwarf variety of the flowering tree family. Blooms early in spring before the leaves appear, blossoms being so thick on the branches that the tree seems to be bedecked with garlands of silvery pink. Excellent in the border or for specimens.

2 to 3 foot trees,
\$1.00 each; 2 for \$1.75.

3427 "ELEYI" FLOWERING CRAB

Beloved by all who have ever seen it in full bloom. Rapid grower, very shapely in form and at blooming time is a cloud of beauty. Shell-pink flowers are followed by small red fruits which remain through the summer.

4 to 6 foot trees,
\$1.50 each; 2 for \$2.75

you can't beat HARDY VINES FOR NATURAL BEAUTY

7111 SILVER LACE VINE

America's No. 1 vine for quickly covering pergolas, archways, arbors, lattice, fences, etc. Graceful, hardy and easy to grow. Will grow 25 feet or more in a season and a fully developed specimen is a cloud of misty white, with tints of yellow and pale rose, suggestive of old lace.

75¢ each; 3 for \$2.00.

7109 AMERICAN BITTERSWEET

Widely used for winter bouquets in the home. Handsome foliage and in fall has large clusters of orange-crimson berries which it retains all winter. If given support it will climb over most any surface.

75¢ each; 3 for \$2.00.

7102 HALL'S Sweet-Scented HONEYSUCKLE

Strong, vigorous evergreen variety of Honeysuckle vine with pure white blooms, changing to creamy yellow. Fragrant and plants are covered with flowers from June till fall.

50¢ each; 3 for \$1.35.

7101 BOSTON IVY

A splendid vine for covering as it clings to the smoothest surface. Its foliage is large and bright green, changing to scarlet and orange in the fall. Excellent for covering walls of brick or masonry. Very hardy.

50¢ each; 3 for \$1.25; 12 for \$4.00.

7103 PURPLE WISTERIA

Beautiful vine of rapid growth, producing long, pendulous clusters of pale bluish-violet flowers. Fine for shading the upper portion of a house. Will climb up any type of support.

\$1.00 each; 2 for \$1.75.

ALL POSTPAID

Preferred SHADE AND ORNAMENTAL TREES FOR FALL PLANTING . .

3406 TULIP TREE

STATE TREE OF INDIANA

Lovely native tree. Tall growing, with stately habit, and large irregular leaves make it ideal for quick shade. Has numerous tulip-like flowers in spring, as tree matures. Blooms are yellow marked with orange. 3 to 4 foot trees,
\$1.25 each;
2 for \$2.25.

Silver Maple

3420 CHINESE ELM

(For Quick Shade)

Fastest growing shade tree known today. Much used in the arid sections of the west because of its extreme hardiness and the ease with which it can be grown. Valuable for windbreak or for specimen planting. May also be planted 18 inches apart and kept sheared for a rugged, dense hedge.

5 to 6 foot trees,
\$1.50 each; 2 for \$2.75.

Weeping Willow

3408 WEEPING WILLOW

Well known, graceful tree whose long drooping branches densely covered with fresh green leaves, make it one of the favorite ornamentals.

4 to 6 foot trees,
\$1.25 each; 2 for \$2.25.

3431 WHITE FLOWERING DOGWOOD

One of our most beautiful native flowering trees. The oval, bright green leaves color brightly in fall. Large white dogwood blooms come very early in the spring to brighten the landscape after dull winter days.

1 1/2 to 2 foot trees,
\$1.00 each; 2 for \$1.75.

PLEASE NOTE

Successful fall transplanting of trees and shrubs demands that they be well ripened by frosts before they are dug and shipped. For this reason we will not ship such plants until they reach a ripened condition, usually late in October or early November.
